Foreword

About 6,500 dollars, 347,200 sheets of paper, 3,465 hours of labor, and countless ideas were the raw materials. The staff has blended them with skill and imagination to produce 1,550 copies of the ALERT for 1962. We humbly trust that each copy will help the individual more vividly recall a most memorable year.

Dedication

To spend more than thirty-five years in one school is to have a unique opportunity to see the school grow, to see its personnel change, to see (and this is perhaps most interesting) the children of one's first students entering and graduating from high school.

It has been Miss Helen Hohenthal's privilege to serve both Turlock High School and the Turlock community in the role of teacher, counselor, and friend for more than forty years. Now that she has so richly earned her retirement, it is our hope that she is just beginning a new and vital relationship with our school and community.

Principal

Gratitude

"We are living, we are dwelling
In a grand and awful time,
In an age on ages telling;
To be living is sublime."

-Hymn of Service - By Coxé

The promise of our faith, the hope and goals of our nation are but half fulfilled. The noblest souls always have believed that humanity was capable of containing a larger and deeper infusion of divinity. The founding fathers of our nation dared to think of human history as a flight of shining stairs up which we may struggle with great expectation in our pursuit of life, liberty and happiness.

The evil and muddle-headedness of man are ever with us. We must not evade our part in cleaning up the mess. But, let us not be so over-whelmed with personal and global problems that we never notice a sunset. Too often we accept many gifts, ranging from the beauty of the Earth and the love of friends to the lifting of our load of guilt, with hardly a nod of appreciation.

May the members of the class of 1962 be noted for their delight in, and gratitude for, the simple pleasures and beauties of life.

-John H. Pitman

This is a large, dense collage of black and white photographs, likely from the mid-20th century, arranged in a non-linear, overlapping fashion. The photos depict various scenes of everyday life and special moments. Key elements include: portraits of individuals, both young and old; group shots of families and friends; candid moments of children playing; and formal or semi-formal gatherings. The collage is a visual tapestry of memories, with photos of different sizes and orientations creating a dynamic and nostalgic composition.

Despite this season's disappointing showing, most of the games were tautly fought and could have gone either way, of which several ran into exciting overtimes. Our young team has gained valuable experience which promises a better showing next year.

The Junior Varsity, with a fine ten and four record, have made vast improvements in their shooting and ball handling, while enthusiastic members of the Frosh team show prospects of developing a very superior group of players.

For its first meets of the season Turlock's varsity track team has been in rare form. With the agility and skill born of long practice and expert coaching it draws ever nearer to the championship. While all the boys merit abundant praise, special recognition should be given to Larry Maggard, who seems to set a new record every time he puts the shot.

In its fight for the championship the "B" track team has outrun, outjumped, and just generally outclassed its competition. If the team can keep up this pace it's a safe bet that it'll go all the way.

After a rather shaky start Tulock's perennial wrestling champs pulled themselves together and had another outstanding season. Turlock won the Sac-Joaquin Sectional Tournament for the 6th year in a row. There are 50 schools with wrestling teams in the section, and this is quite an accomplishment. The loss of 14 seniors will be severely felt since these boys have been on 4 championship teams.

Golf

The golf team this year is weak from lack of experience. There are several very promising freshmen on the squad that should turn out to be top-notch golfers when they become more seasoned. Although only five men play in the matches there has been fierce weekly competition among the 4th, 5th, and 6th men to see who gets to play.
